

# GROW ONION, INCREASE INCOME

## SOW SEEDS ON TIME

Buy onion seeds from a trusted place (8-10 kg/hectare).

Choose better variety of seeds (Agrifound Light Red, Bhima Shakti, Pusa Red, Arka Kirtiman or any recommended variety).

Prepare the nursery in the month of October-November. Treat the seeds before sowing.

Plant seedlings between 15<sup>th</sup> December and 15<sup>th</sup> January.

Use drip or sprinkler for irrigation of onion crop.

Store onions in the field : Sell at the right time.

### Schemes

• For drip and sprinkler: Pradhan Mantri Krishi Sinchai Yojana • For storage infrastructure: National Horticulture Mission

### Modern Farming, Greater Yield, Higher Profit

#### Onion Growing States:

Maharashtra, Madhya Pradesh, Karnataka, Gujarat, Bihar, Andhra Pradesh, Rajasthan, Haryana, Tamil Nadu, Odisha, Telangana, Uttar Pradesh.
