A. KISAN CALL CENTRE

In order to harness the potential of ICT in Agriculture, Ministry of Agriculture & Farmers Welfare launched the scheme "Kisan Call Centres" (KCCs) on January 21, 2004. Main aim of the scheme is to answer farmers' queries on a telephone call in their own language. These call centres are working in 17 different locations in the country covering all the States and UTs. A countrywide common eleven digit Toll Free Number 1800-180-1551 has been allotted for Kisan Call Centre. This number is accessible through mobile phones and landlines of all telecom networks including private service providers. Replies to the farmers' queries are given in 22 local languages.

Kisan Call Centre services are available from 06.00 AM to 10.00 PM on all seven days of the week at each KCC location. Kisan Call Centre agents known as Farm Tele Advisors (FTAs), who are graduate or above (i.e. PG or Doctorate) in Agriculture or allied sectors (Horticulture, Animal Husbandry, Fisheries, Poultry, Bee-Keeping, Sericulture, Aquaculture, Agricultural Engineering, Agricultural Marketing, Bio-Technology, Home Science, etc.) and possess excellent communication skills in respective local language.

Queries which cannot be answered by FTAs are transferred to higher level experts. These experts are Subject Matter Specialists (SMSs) of State Departments of Agriculture (SDAs), ICAR Institutes, KVKs and State Agricultural Universities (SAUs).

A Kisan Knowledge Management System (KKMS) has been developed to capture all the details of the caller and sending gist of answer given through SMS. KKMS has its independent website: <http://dackkms.gov.in>. The KCC, FTAs working at various KCC locations throughout the country have access to this website through their specific IDs and password provided to them.

Kisan Call Centre (KCC) services is provided by selected Service Provider which is hired by the DAC&FW through competitive e-bidding process for specific period of contract which shall be minimum three years subject to further extension upto five years on yearly basis subject to satisfactory performance and willingness of the service provider.

Salient Features of Kisan Call Centre

KCCs provide reliable and efficient services due to following technological innovations and state of the art hardware/software tools:

- i) Dedicated MPLS leased line network with dedicated bandwidth.

- ii) Call barging to facilitate listening of call conversation between FTA and the caller by the Supervisors/Officer monitoring the quality of service provided by KCCs.
- iii) 100% call recording and retention of recorded calls for six months so that call can be listened to in case of a complaint.
- iv) SMS to caller farmers providing a gist of advisories given to them on phone.
- v) Voice mail system for recording farmer's queries during idle time of KCC or during call lines busy with provision for call back to the caller.
- vi) Back up through Fixed Cellular Terminal (FCT) in case of PRI line failure.
- vii) Up-scaling the knowledge of FTAs by way of imparting training on soft skills, pre-seasonal training, technical training once in four months, field exposure, latest versions of guide books and booklets issued by the SDAs or SAUs.
- viii) Facility of Video Conferencing at each KCC for interaction of KCC-FTAs with the Divisional/Zonal level Officers of the State Agriculture and allied departments.
- ix) Provision for registering the farmers for receiving SMS sent through m-Kisan.
- x) CCTV Camera at each KCC location for online monitoring.
- xi) Bio-metric Attendance System (BAS) at each KCC.
- xii) Feedback on performance of FTAs at the end of each call.

Mode of operation:

Kisan Call Centre (KCC) services is provided by selected Service Provider which is hired by the DAC&FW through competitive e-bidding process for specific period of contract which shall be minimum three years subject to further extension upto five years on yearly basis subject to satisfactory performance and willingness of the service provider.

Presently M/s IFFCO Kisan Sanchar Limited (IKSL) is the service provider running the Kisan Call Centres from 01.09.2018, at the lowest offered cost of Rs. 100.16 crores including 18% GST for 3 years upto 31.08.2021. Further extension of tenure was given upto 31.08.2023.
