SCHEME : AC&ABC

ANNEXURE - I

"Establishment of Agri-Clinics and Agri-Business Centres (AC&ABC)" since April, 2002 to supplement the efforts of public extension, support agricultural development and create gainful self-employment opportunities to unemployed youths with qualification in agriculture and allied sectors.

Aim: The programme promotes involvement of trained agripreneurs in providing advisory and extension services to the farmers in agriculture and allied areas through agriventures established as self employment ventures with financial supports. These agripreneurs are actively involved in providing advisory and extension services to the farmers on various technologies including soil health, cropping practices, plant protection, post harvest technology etc.

Implementation: The National Institute of Agricultural Extension Management (MANAGE), Hyderabad is the implementing agency for Training Component and National Bank for Agriculture and Rural Development (NABARD) is the implementing agency for Subsidy Component of AC&ABC programme. MANAGE implement, through selected Nodal Training Institutes (NTIs) under MoU with MANAGE, in various parts of the country. Currently there are 120 NTIs imparting trainings. The NTIs also provide hand-holding to the trained candidates for establishment of agri-ventures in agriculture and allied areas and facilitates in providing loan assistance from banks and subsidy support through NABARD.

Eligibility: Under this, residential training of 45 days duration is imparted to unemployed candidates in the age group of 18-60 years who possess degree/ diploma in agriculture and allied subjects, intermediate in agriculture, science graduates with PG in agri related courses and graduates in life sciences, environmental sciences and Microbiology

Benefits under the Scheme: There is a provision of credit linked back-ended upfront composite subsidy on the bank loan availed by trained candidates under the programme. The subsidy is 44% in respect of women, SC/ST and all categories of candidates from North-Eastern and Hill States and 36% in respect of other categories. The subsidy is admissible for loans up to Rs.20 lakhs in case of individual and Rs.100 lakhs in case of Group Projects (for ventures set up by a group of 5 trained candidates).

Achievements: Since inception of the programme, 82,672 candidates have been trained and 36,195 agri-ventures have been established in the country till 31.10.2022 creating job opportunities to the tune of 11,293 thousand man-days. Among the ventures established, 3346 have been granted with subsidy as on 31.10.2022. A total expenditure of Rs. 361.21 crore has been incurred under the programme as on 31.10.2022. The agriventures established under the scheme are acting as active supplementary institutions for Government Extension mechanism in the States/UTs.

Benefits of MUDRA loan scheme have been inducted under AC&ABC programme. Also, the programme has been on-boarded with DBT Bharat Mission for implementation of Direct Benefit Transfer (DBT) and Aadhaar particulars have been made mandatory for getting benefits under the scheme. Online process has been rolled out on 01.01.2018 through <https://acabcemis.gov.in> for training programmes under the scheme and details of subsidy distribution are captured on the online portal. Recently, the AC&ABC programme has been on-boarded with PRAYAS Portal for real time monitoring by PMO and Jan Samarth Portal of Government of India for Credit Linked Subsidy Programmes.
