## **Central Sector Scheme, "Establishment of Agri-Clinics and Agri-Business Centres (AC&ABC)"**

Under the scheme Sub-Mission on Agricultural Extension (SAME) of Green Revolution (Krishonnati Yojana) of Extension Division of Department of Agriculture, Cooperation & Farmers Welfare, Ministry of Agriculture & Farmers Welfare, Government of India, a Central Sector component, "**Establishment of Agri-Clinics and Agri-Business Centres (AC&ABC)**" has been under implementation since April, 2002 to supplement the efforts of public extension, support agricultural development and create gainful self-employment opportunities to unemployed youths with qualification in agriculture and allied sectors.

The scheme promotes involvement of agripreneurs trained under the AC&ABC scheme in providing advisory and extension services to the farmers in agriculture and allied areas through agri-ventures established with financial supports. These agripreneurs are actively involved in providing advisory and extension services to the farmers on various technologies including soil health, cropping practices, plant protection, post harvest technology etc.

**The National Institute of Agricultural Extension Management (MANAGE), Hyderabad** is the implementing agency for Training Component and **National Bank for Agriculture and Rural Development (NABARD)** is the implementing agency for Subsidy Component of AC&ABC scheme.

Under the scheme, residential training of 45 days duration is imparted to unemployed candidates who possess degree/ diploma in agriculture and allied subjects, intermediate in agriculture, science graduates with PG in agri related courses and graduates in life sciences and environmental sciences through selected Nodal Training Institutes (NTIs) in various parts of the country. The NTIs also provide hand-holding to the trained candidates for establishment of agri-ventures in agriculture and allied areas and facilitates in providing loan assistance from banks and subsidy support through NABARD.

There is a provision of credit linked back-ended upfront composite subsidy on the bank loan availed by trained candidates under the Scheme. **The subsidy is 44% in respect of women, SC/ST and all categories of candidates from North-Eastern and Hill States and 36% in respect of other categories.** The subsidy is admissible for loans upto Rs.20 lakhs in case of individual and Rs.100 lakh in case of Group Projects (for ventures set up by a group of 5 trained candidates).

Recently, benefits of MUDRA loan scheme have been inducted under AC&ABC scheme. Also, the scheme has been on-boarded with DBT Bharat Mission for implementation of Direct Benefit Transfer (DBT) and Aadhaar particulars have been made mandatory for getting benefits under the scheme. Online process has been rolled out on 01.01.2018 through <https://acabcmis.gov.in> for training programmes under the scheme. Action is underway for making subsidy distribution also through online. Details of the scheme may be seen at the website [www.agriclinics.net](http://www.agriclinics.net)
